## Table Setting, Style & Design Workshop

Want to learn how to set up stylish table settings for any occasions, on any budget?

This workshop will demonstrate trendy decorations for guest tables to fit into various budgets. Participants will learn table etiquette and how to tastefully and appropriately decorate a table. A stylish table setting can be as simple as using a bold tablecloth and napkin rings as accents, grouping of colourful vases, fresh flowers, name cards and much more.

We will also focus on how to serve, various napkin folding techniques, flower arrangements as centre pieces and other focal points of table decoration.

**TABLE Etiquette**

- Hosting a dinner
- Etiquette and mannerisms
- Tools of the table
- Glassware
- Use of cutlery
- Basic serving tips

**TABLE Style**

- Introduction to function décor
- Flower preparation
- Table center pieces
- Napkin folding
- Accessorising
- Table layouts

**TABLE Design**

- Flowers for different centerpieces
- Lighting your arrangements
- Draping and fabrics
- Colour combinations
- Objects and decoration

The course is very practical with participants physically doing a basic flower arrangement and setting up of the décor elements.

Students to bring along own florist scissors (or Gardena secateurs/scissors).
